

Appendix Contents

Appendix A-1	Graduate Survey Questionnaire
Appendix A-2	Regulations of Shanghai University of Engineering Science on the Management of Quality Evaluation and Continuous Improvement of Training Plans
Appendix A-3	List of professor committees
Appendix A-4	Talent Training Plan of Industrial Design Program
Appendix A-5	Curriculum of Industrial Design
Appendix A-6	Statistics on Student Mobility
Appendix A-7	Implementing Measures of Shanghai University of Engineering and Technology for Recruitment Publicity
Appendix A-8	Regulations of Shanghai University of Engineering and Technology for Admission
Appendix A-9	Implementing Rules of Shanghai University of Engineering and Technology for Admission Supervision
Appendix A-10-18	Module Descriptions
Appendix A-19	Sample of Workload Feedback
Appendix A-20	Sample of Online Course
Appendix B-1	Detailed rules for granting bachelor's degree to full-time undergraduate graduates of Shanghai University of Engineering Science
Appendix B-2	The Regulations of Shanghai University of Engineering Science on Curriculum-Based Assessment Management
Appendix B-3	Measures of Shanghai University of Engineering Science for the Management of Undergraduate Graduation Project (Thesis)
Appendix B-4	The Regulations of Shanghai University of Engineering Science on Curriculum-Based Assessment Management
Appendix B-5	Approval Form of Exam Questions for Curriculum
Appendix B-6	Regulations of Shanghai University of Engineering Science on Credit System

Appendix B-7	Academic Transcript of Student
Appendix B-8	Bachelor Thesis Capstone Project Assignment Letter
Appendix B-9	Grade of Bachelor Thesis Project
Appendix B-10	Requirements of Shanghai University of Engineering Science for Faculty Members in Examination Paper Marking and Grading
Appendix B-11	Analysis Form of Exam Papers for Semester X of Academic Year 20XX
Appendix B-12	The Measures of Shanghai University of Engineering Science for the Management of Examinations
Appendix B-13	Grade Analysis Report
Appendix C-1	Staff Resume
Appendix C-2	Excellent courses, teaching achievements, textbooks
Appendix C-3	Papers, patents, research award, research projects
Appendix C-4	Faculty with Domestic, Foreign Training and Enterprise Practice
Appendix C-5	Laboratory Management Policy Document List
Appendix C-6	Professional laboratories
Appendix C-7	Innovation Practice
Appendix C-8	International Cooperative Education Program and International Conferences
Appendix C-9	Off-Campus Practice and Teaching Bases
Appendix C-10	Databases, Journals and Lectures of the Library
Appendix C-11	Education spending in the past five years
Appendix D-1	Samples of the Graduation Certificate and bachelor's degree Certificate
Appendix D-2	Diploma Supplement
Appendix D-3	Sample of Student Transcript-Academic Transcript
Appendix D-4	Regulations of Measures of Shanghai University of Engineering Science for the Recognition of Qualifications of Faculty Members
Appendix D-5	Course Evaluation

Appendix D-6	Student Admission
Appendix E-1	Evaluation Report
Appendix E-2	The Forms of Teaching Quality Evaluation
